

BREAK NEW GROUND IN INVESTMENT RESEARCH

Lanka Securities (Pvt) Ltd is a licensed stockbroking firm and member of the Colombo Stock Exchange, with an experienced sales team, versatile research division, and efficient IT support. As a joint venture between First Capital Securities Corporation (Pakistan), Bank of Ceylon, and Merchant Bank of Sri Lanka, we provide superior investment solutions. We're on the lookout for exceptional candidates to fill the following positions.

Head of Research

RESPONSIBILITIES

- Lead the development of macroeconomic, sector, and stock-specific research
- Monitor market developments and guide investment advisors and clients on buy/sell decisions
- Conduct foreign roadshows to attract international investors to the Colombo Stock Exchange
- Maintain positive relationships with the management of listed companies
- Contribute to product development initiatives
- Stay updated with industry-related news and trends, and share insights with internal and external stakeholders

QUALIFICATIONS AND EXPERIENCE

- Minimum 3 years of relevant equity research experience
- Bachelor's degree in Accountancy, Economics, Finance, or Business Administration. Professional qualifications are a plus
- Full or partial qualification in CFA is a plus
- Demonstrable analytical acumen, curiosity, open-mindedness, and forward-thinking
- Confidence and articulacy in communicating with stakeholders
- Self-motivation and enthusiasm

Manager Research

RESPONSIBILITIES

- Conduct macroeconomic analyses to keep clients informed about market developments
- Provide detailed forecasts for listed companies
- Participate in internal discussions, offering research and trading insights to investment advisors
- Produce regular sector analysis research reports
- Publish external research materials, including reports, sector overviews, and client presentations
- Maintain research databases
- Support the Head of Research with various tasks and research initiatives

QUALIFICATIONS AND EXPERIENCE

- Minimum 2 years of relevant equity research experience
- Bachelor's degree or a professional qualification is preferred
- Strong analytical and quantitative skills
- Proficient in Excel, Word, and PowerPoint
- Self-motivated and enthusiastic
- Able to work independently and contribute to team objectives

Age: Between 25 to 35 (Male/Female)
Salary: Negotiable

If you're passionate about the stock market, possess a strong work ethic, and have a proven track record in equity research or a related field, send your resume with a cover letter to the address or email below within 14 days of this advertisement.
