

Durdans Heart Centre has been a trusted name in Sri Lankan healthcare for over seven decades elevating the standard of healthcare not only in Sri Lanka but beyond borders. Being the first hospital in Sri Lanka to receive Joint Commission International (JCI) standard from the leading accreditation body for global healthcare, and since then reaccredited, we continue to adopt a framework for sustainable development, meeting our brand promise of excellence in care.

RESIDENT CONSULTANT CARDIAC SURGEON

Applications are invited from Sri Lankan Doctors who possess the relevant specialist qualifications (MS/MCh/FRCS or equivalent) and are registered as specialists with the Sri Lanka Medical Council (SLMC) and Board Certified. Additionally, applicants should have at least five years of experience as a Resident Consultant Cardiac Surgeon, demonstrating a proven track record as a valuable member of a reputed Cardiac Team.

Age: Below 50 Years

Salary/Remuneration Package and Other Benefits: Negotiable

Conditions of Service: will be in conformity with local Labour regulations

The selected Cardiac Surgeon will be working with Senior Cardiac Surgeon performing CABG using beating heart surgery techniques.

If you possess the requisite qualifications and skills, we invite you to send in your CV by registered post, along with a recent passport sized photo, including phone numbers and details of two non-related referees. Please mark the post applied for on the top left corner of the envelope and ensure it reaches us within 7 days of this advertisement.
