

COME JOIN US As we NURTURE LIFE

From our advent into Sri Lanka close to 60 years ago, we have continually invested in this incredible country and its people, intuitively combining traditional wisdom with cutting-edge research and development, for the benefit of all. We take great pride in planting seeds of opportunity and growing sustainable businesses that will benefit countless generations to come.

We are looking for dynamic young individuals to be the torchbearers of hope for the future, by joining us as:

MANAGEMENT TRAINEES

When you join CIC, you will get the opportunity to help farmers and families across Sri Lanka and beyond, aspire to become better and live life to the fullest. AND when you join CIC, we pledge to nurture and grow you to become your best self.

CIC has diverse interests, with presence and dominance in the Agri, Livestock, Pharmaceuticals, Personal Care and Consumer Brands sectors, and the selected candidates will be provided a one-year, structured training programme in these areas.

THE IDEAL CANDIDATES MUST:

- Be below 27 years of age
- Have a BSc degree with preference in either Engineering, Physical Science, Biological Science, Agriculture, Bio Technology, Information Technology or Pharma
- Possess good communication skills & display exceptional leadership potential

An attractive remuneration package, coupled with a modern and conducive work environment, awaits the right candidate. Upon successfully completing the training, you will be absorbed to the executive cadre of the organisation.

All those interested may e-mail their CV to hrd@cic.lk or post it indicating the position applied for on the 'Subject' line or on the top left corner of the envelope, to reach us before the 20th December 2023, to:
