

Vacancy For

Chief Executive Officer – Investment Banking Group

KPMG Executive Search (Private) Limited

Our client is one of Sri Lanka's leading investment banking institutions, delivering innovative financial solutions across corporate finance, debt and equity capital markets, mergers and acquisitions, wealth management, and advisory services, committed to creating lasting value for their clients through innovation, excellence, and trusted partnerships.

As they continue the journey to strengthen their market leadership and pursue strategic growth, they seek an accomplished professional for the position of Chief Executive Officer – Investment Banking Group.

Reporting to the Chairman and Board of Directors, the Chief Executive Officer will provide strategic and operational leadership to the organization, driving sustainable business growth while ensuring sound governance, prudent risk management, operational excellence, and exceptional client service. The successful candidate will lead the development and execution of the Group's long-term strategy, strengthen stakeholder relationships, identify new business opportunities, and foster a high-performance culture that supports innovation and value creation.

Job Description

- Providing strategic leadership and overall management of the Investment Banking Group.
- Driving sustainable revenue growth, profitability, and long-term shareholder value.
- Expanding the Group's market presence through innovative products, strategic partnerships, and client-centric solutions.
- Strengthening governance, risk management, regulatory compliance, and operational excellence.
- Developing and leading a high-performing executive team while fostering a culture of collaboration, accountability, innovation, and customer excellence.
- Positioning the Investment Bank as the preferred investment banking partner for corporate, institutional, and high-net-worth clients.

Candidate Profile

- A Bachelor's Degree in Finance, Economics, Business Administration, Accounting, and or a related discipline from a recognized university or a recognized professional qualification such as CFA, ACA, ACCA, CIMA.
- A postgraduate qualification (MBA/Master's Degree) will be a distinct advantage.
- Minimum of 10 years of experience in investment banking, corporate finance, capital markets, financial advisory, or a related financial services environment out of which at least 5 years should be in a senior leadership role in a financial institution regulated by the Central Bank of Sri Lanka (CBSL) and/ or Securities and Exchange Commission of Sri Lanka (SEC).
- Strong commercial acumen with in-depth knowledge of capital markets, corporate finance, investment banking products, wealth management and the regulatory environment.
- Demonstrated ability to build and sustain strategic client relationships while successfully engaging with regulators, investors, and other key stakeholders.
- Outstanding leadership, communication, negotiation, and decision-making skills, supported by the highest standards of integrity and corporate governance.
- Those with exposure to investment banking in foreign markets are encouraged to apply.
