

Elegant Media is the #1 Mobile App Development company in Australia. An ISO 9001:2015 certified Software Company that holds global recognition for the Gold Stevie Award for Innovation in Business to Business Services 2020, is the market leader in providing Mobile Solutions and has been trusted by Governments, Corporations and Entrepreneurs.

Responsibilities:

- Develop user-facing web applications and interfaces using HTML, CSS, and JavaScript.
- Implement responsive design principles to ensure seamless user experience across devices and screen sizes.
- Collaborate with UI/UX designers and back-end developers to translate design mockups and wireframes into functional web applications.
- Optimize applications for maximum speed and scalability.
- Write clean, maintainable, and reusable code adhering to coding standards and best practices.
- Debug and troubleshoot frontend issues and implement effective solutions.
- Stay updated with the latest frontend technologies, trends, and best practices.
- Conduct code reviews and provide constructive feedback to team members.
- Work closely with cross-functional teams to ensure alignment with project requirements and timelines.
- Participate in agile development processes and contribute to sprint planning, stand-ups, and retrospectives.

Requirements:

- Bachelor's degree in Computer Science, Engineering, or related field.
- 02 years of experience as a Front End Developer or similar role.
- Proficiency in HTML, CSS, and JavaScript, with a strong understanding of modern frontend frameworks/libraries such as Vue.js, React.
- Knowledge in Angular will be an added advantage.
- Experience with responsive design principles and frontend optimization techniques.
- Solid understanding of web development fundamentals including DOM manipulation, AJAX, and browser compatibility.
- Strong problem-solving skills and attention to detail.
- Excellent communication and collaboration skills.
- Ability to work independently and in a team environment.
- Familiarity with version control systems such as Git.
- Experience with agile development methodologies is a plus.

If you are the right fit for the above role, kindly forward your resume along with your design portfolio to jobs@elegantmedia.com.au
